><p>The people in accommodation area seven screamed as the building shuddered. A redheaded girl in the white uniform of Technical stream leapt up, followed quickly by a dark-haired boy in a matching uniform.<p>

"Yes!" They exclaimed together, and high-fived.

"It worked!" The girl shouted joyfully.

"I told you!" They laughed, and their voices fell. Otto and Laura moved closer to hear the conversation.

"Good job!"

"You did more than I did."

"Not denying that, but that's not the point. We just made H.I.V.E. history." She looked straight at Otto. "Hope you didn't like your technology lab too much."
